May 5, 2014

Dear Families,

The yearbook is on sale beginning May 7th. It will be selling for 2 weeks. This year, the yearbook will include all the grades from Kindergarten to Grade 8. Our yearbook team has been working hard on some of their recesses to produce this special keepsake. The yearbook this year will be in **full colour** and will be **about 50-56 pages**. Unfortunately, we haven’t received any sponsorship for our yearbook so the price is going to be **$20.00**.

Maybe your child can help to pay for this keepsake as it would be something that they would enjoy reading over and over again, reminiscing about all the wonderful memories of this 2013/2014 school year in our beautiful, new building, Fred C. Cook.

If your family would like to purchase more than one yearbook, **the second book will be available at a reduced cost of $15.00**.

Please fill out the form below if you would like to purchase a yearbook. You can make cheques payable to the school, pay with cash or use the school cash online option. We appreciate your support and hope you enjoy your 2013 and 2014 Fred C. Cook yearbook! Enjoy laughing and sharing special moments about your school life!

From the Yearbook Team
